President and Cabinet Declare That ALLIES Germany Kept Promise and Was Within the Law

BOSTON, Oct. 9 .- The submarine arm of the imperial German navy ravaged shipping off the eastern coast of the United States chusetts coast, a German submarine

Last night four British, one Dutch and one Norwegian steamers were sent to the bottom or left crippled dereliets off Nantucket and two neutral vessels one Dutch Last night the destroyer flotilla of the United States Atlantic

fleet was picking up passengers and crews of the destroyed vessels and bringing them into Newport, R. I.

So far as known, there was no loss of life, though the erew of the British steamer Kingston had not been accounted for.

A submarine held up the American steamer Kansan, bound from New York for Genoa with steel for the Italian government, but Crew taken aboard Nantucket shoals Crew taken aboard a destroyer. The later, on establishing her identity, allowed the American to proceed. The Kansan came into Boston harbor late last night for her

usual call here. The hostile submarine is believed to be the U-53, which paid a

call to Newport Saturday and disappeared at sunset. Some navy freighter, torpedoed and sunk off where the Bloomersdyke. Crew men, however, declared that at least two submarines are operating close to the American shore, though outside the three mile limit.

(By Associated Press.) NEWPORT, R. I., Oct. 9 .- According to reports brought by officers of the American destroyer flotilla which picked up the London for Newport News. passengers and crews of several of the vessels destroyed, nine merchant ships were sunk by submarines, one the U-53 and the other liner, plying regularly between New marine attacks began to come into supposed to be the U-61. Six vessels are known to have been sunk. York, Halifax and St. Johns, N. F., the radio stations just before noon The report of nine is based on the statement of the captain of the torpedoed southeeast of Nantucket, Nantucket lightship, who said that three submarines were engaged. The list of victims includes four British, one Dutch and one Norwegian ship. The British were the West Point, Strathnede, picked up by the destroyer Balch and broadcasted along the coast. Kingston and Stephano; the Dutch vessel was the Bloomersdijk. and Christian Knudsen the norwegian. The crews of all except the Kingston, with 83 passengers of the Stephano, arrived this morning. It is believed that no lives were lost. Thirty of the
